STATINTL

Met with Representative George Bush (R., Texas), who advised that [redacted] of six weeks ago, is to be employed by the Agency. He feels this is very good as [redacted] is a very bright and capable young lady. I enjoyed this occasion for renewing acquaintance with the Congressman. We have not been in contact with him for about a year. His whole manner, as well as his specific remarks about our new employee, evidenced a very high regard for the Agency.
